AMENDMENTS TO THE CLAIMS

1-33. (Canceled)

34. (Currently amended) An isolated antibody which binds specifically to a human protein encoded by the nucleotide sequence set forth in SEQ ID NO: 1, and not to any of ALK-2, ALK-3, ALK-4, ALK-5, or ALK-6.

35. (Previously presented) The isolated antibody of claim 34, which binds specifically to amino acids 145-166 of SEQ ID NO: 2.
